## 5) Patron's Message

To the Chairman, Board and Members,

It has given me great pleasure to once again act as Patron of the Association for 2019.

I was most encouraged to see so many new Juniors commence their refereeing careers this season. I would like to congratulate all members on their achievements in 2019, particularly the juniors, all of whom did very well.

I would especially like to congratulate the winner of this year's Vince Smith Junior Encouragement Award Hugo Di Veroli. Hugo has been a welcome addition to the ranks in North Sydney and has proven himself a reliable and dedicated member.

The Presentation Night was a wonderful occasion and congratulations to all those who received awards. It was wonderful to see that many of the Association's Life Members were in attendance. These are the members who have laid the foundations for today's Association and their contributions are always valued.

I would like to pay a special tribute to Stan Watson who became the second recipient of the Smyth-Montgomery Medal. Stan is a cornerstone of the modern Association and this worthy recognition of his countless hours of dedication was most apropos.

It is a great privilege to be able to contribute to assist the first-year junior referees start their careers and I look forward to continuing this arrangement in 2020 and beyond.

## 6) Chairman's Report

Fellow Members,

Season 2019, like many before, brought challenges for your Board and the Association as whole. Some of these challenges were new, others recurring.

Thanks to the outstanding work of Scot Murray, we retained our sponsors from 2018.

Our sponsors are:

- Raine and Horne Hornsby (Retained)
- Fort Knox Home Loans (Retained)
- Elite Golf NSW – North Turramurra) (Major Sponsor)
- All Aspects Group Plumbing (Retained)
- Merran Wiggins Personal Travel Manager (Retained)

We thank all these business for their support.

It is imperative that we, as Members, keep these businesses in mind and avail yourself of their assistance if you require services in the fields they cover. Mention the Association's name, not only for great service and price but doing so can generate additional sponsorship funds for the Association.

Our greatest challenge of 2019 was the week to week availability of members for appointments. On several occasions there were weeks when over 50% of our active members were not available for a wide variety of reasons and there were many more weeks with 40% unavailability. This made preparation of the appointments extremely difficult.

The Junior League expects us to provide the best referees on the field each weekend. It is our obligation to them and the reason for our existence and why we become referees in the first place.

While life in 2019 places new and different demands on each of us, we need to be ever mindful of the commitment we make when we take up refereeing.

Our new members for 2019 were:

- Bailey Clark
- Callum Maher
- Emily Audet
- Jack Manson-Lill
- Keaton Dal Santo
- Pania Burrows

North Sydney District Rugby League Referees' Association Inc.

George Maher was missing for the first two months of the season due to a work posting on Groote Eylandt. His return at the beginning of June was timely and most welcome although he still thinks that 23 degrees is a cold day.

To our new members, thanks for accepting the challenge of refereeing. I enjoyed seeing you all take your first steps into our challenging but rewarding role. You all laid a great foundation and should be able to build on that in 2020.

To all who took the field for the first time or returned, thank you for your services. Hopefully in 2020 we can build on what you achieved in 2019.

For the first time (that I can recall), North Sydney did not have an A Grade team this season. This meant a lot less exposure for our members to Open Age games. I understand that (at the time of writing) this will be addressed with Berowra intending to field an A Grade team in 2020.

This was the third year for Conference competitions. The A Grade, U20, U18 and U17 were Sydney wide with U16 being a "Northern Conference" consisting of North Sydney, Manly Warringah and Balmain. The NSWRL's decision to continue with the Sydney Shield will only continue to erode the quality of A Grade "Park Footy".

Congratulations to the Asquith Under 20 team who won the U20 Gold premiership, doing it the hard way with an away Grand Final victory.

Congratulations also to the Northern Grizzlies Under 16 who went down in gallantly in their Grand Final, played at North Sydney Oval.

The Northern Grizzlies is a wonderful concept. Implemented by the Junior League to keep our local players involved in the game by combining the resources of two (or more) clubs to field a team. In the case of the U16s, it was Asquith and Berowra. The Under 13 version was a combination of Lane Cove and NS Brothers.

Ben James was again the Co-Ordinator for the NSWRL Competitions. One does not envy Ben his role but from our perspective, he did a great job and we look forward to working with him in 2020.

At the level, the Junior League engaged the services of Fran Hahlos who devoted her time to Junior League matters on Monday, Wednesday and Friday. Fran did a wonderful job from the timely release of each weeks draw to those late changes on Fridays.

Jon Stone continued to fly the North Sydney flag in the NRL. Jon continued to build on his 2016 successes. He was a regular NRL appointment as the Assistant Referee most weeks and had a number of appointments as Head Referee. To round out the season, Jon was appointed to in the World 9s tournament. Congratulations Jon. We are all proud of you.

This season, we again accepted an invitation to attend the National Primary School Games in Tamworth over the last weekend of the July School Holidays. George and Callum Maher, Steve Tulinsky, Hugo di Veroli and I were joined by Hanna Clare from Manly in making the trip. A splendid time was had by all. Next season, not only do we look forward to attending this event but also a more formal exchange weekend with Group 4.

To our dedicated squad of coaches/advisors: Ilana Crawford, Scot Murray, Michael Colla, Wayne Edwards, Col Jones and Stan Watson – thank you for all the travelling and dedication.

North Sydney District Rugby League Referees' Association Inc.

This season the Life Members' Cup was terminated due to it failing to meet its key objective of increased participation in both on and off field activities. This is something that needs to be looked at and addressed by all members. From weekly availability to attendance at meetings and social functions. All need to improve.

James Leane was a most deserving winner of the John Quinn Trophy for 2019. James' dedication to all his Association commitments are exemplary and an inspiration to all and represent all that the John Quinn Trophy stands for.

Congratulations to Michael Dumas on receiving the Association's Men of League award. This was thoroughly deserved and was fitting recognition for your dedicated service.

This year saw the second presentation of the Smyth-Montgomery Medal. The recipient, Stan Watson, was fully deserving of this high honour. Stan's continued countless hours of devotion to our Association (since he first became a Life Member) are varied and many. But none more so that the time he spends sitting and watching our referees each weekend. Stan is a vital cog that keeps our Association running. Congratulations Stan. We couldn't do it without you.

Again, we thank the NSW Rugby League Referees Association's continued support in providing grants, which greatly assist in easing the financial burden of running our Association.

North Sydney Leagues Club continues to support Rugby League in the District and we thank you for your support.

Now to our Board Members:

- Executive Officer Michael Dumas. Another outstanding year. Michael was juggling work and tertiary education while holding down the reigns of Executive Officer where he continued to display the outmost professionalism with his duties. And of course, his marriage to Elissa was a highpoint of the year. Congratulations to both of you.
- Director of Finance James Leane. Now into his fifth year, James continues to show that the Association's finances are in good hands. As we now look forward to our centenary celebrations in 2021-22 he now has his sights on accumulating sufficient funds to ensure that these celebrations will be long remembered.
- Director of Referee Development Michael Colla. Due to personal commitments and a demanding working schedule, we did not see as much of Michael as we would have liked. He, as always, provided quality support to the rest of the Board.
- Director of Member Services Scot Murray had yet another outstanding year. Unfortunately for our Association, Scot and Adrienne have decided to move their family to the South Coast. Scot's tireless work and enthusiasm for all aspects of our Association will be sorely missed and it will not be easily replaced. To Scot and Adrienne, we wish you all the best down south and we know that you will pop in and visit whenever you are in Sydney.

To all Board members, thank you and congratulations on your efforts in 2019.

To my wife Lizzie, thank you for your continued support for the Association and for me personally. Your love and support mean so much to me and I could not do this job if not for your generosity and encouragement. Thank you so much. I was an extremely difficult year for our family but through it all, you maintained your keen interest in the Association, and this allowed to maintain a focus that I might have lost otherwise.

North Sydney District Rugby League Referees' Association Inc.

At the time of writing, the NRL is in the process of rolling out a new online system for registration and competition management. Your Board members are currently attending training courses so the roll out of this new system will be as smooth as possible. More will be communicated to you in the coming months.

Our summer passions of Cricket, Baseball and American Football have commenced. Enjoy the break (Really? What break?) and be ready to work hard to keep Rugby League alive and thriving in our district in 2020.

## 7) Executive Officer's Report

Mr Chairman and fellow members,

It is an honour and my great pleasure to present to you all the annual report for Season 2019, our 97<sup>th</sup> year of our proud Association and one which was both memorable and noteworthy for many reasons.

Once again, 2019 saw a number of our previous members not return and this, combined with the absence of many of our senior active members, led to some difficulties covering all of our commitments to the junior league with regards matches. A big thank you to the active referees who stepped up and made sure that we were able to provide officials in those weeks.

To our new referees from this season (Bailey, Callum, Emily, Jack, Keaton and Pania) we say great work, enjoy the off season and we all look forward to seeing you continue your development as Referees. A big welcome also to Daniel Williams who joined the Association at the end of the season. We look forward to seeing him on the field next year as well.

What was especially encouraging in 2019 was the increase in active female referees in the district, which led to an all ladies appointment (congratulations Bailey, Paige and Emily) for the under 11s League Tag grand-final, which I believe to be a first, at least during my time with the Association.

To all our referees and their coaches, the Board of the Association and all involved in the Junior League, I say thank you for your time, patience and commitment to the game!

As noted by the Chairman, our exposure to A Grade refereeing was somewhat reduced this season due to the absence of a North Sydney A Grade team. Hopefully, we shall see an increase in senior numbers next season and beyond. Pleasingly, our relationship with the Manly Referees Association continues to be hugely successful.

Also noteworthy this season is the continued development of several of our young referees which saw Dylan Guptill invited to trial for the junior representative squad. I am confident that a similar invitation is not far off for Nathan Guptill as well. The continued development of James Leane, who was a deserved winner of the Erle Carroll Memorial Trophy in 2019 was excellent to see and James will surely push for higher junior representative honours in 2020. I was also pleased to see the likes of Oskar Enasio, Zale Atkins, Paige Sedgwick, James Miller, Hugo di Veroli and both of the Nowland brothers continue to rise through the grades and take on the responsibility of refereeing older age groups which bodes well for season 2020.

Also encouraging was the enthusiasm shown by all three Jacks (Schauwecker, Summerhayes and Manson-Lill), David and Summer both on and off the field this season.

The Board wishes to pass on our congratulations to all of our Referees who officiated in grand finals this season. In particular to James Leane who refereed the Under 16s Silver final between the Northern Grizzlies and Manly Christian Brothers.

This season saw several of our referees visit Group 4 for The National Primary School Games to which the North Sydney District also sent junior sides to play matches against the local kids from the Tamworth District and surrounds. Many friendships were reforged from last year's event and we hope to see more of our friends from Group 4 next season. The Board passes on a thank you

North Sydney District Rugby League Referees' Association Inc.

to Bev Adams from Group 4 for their excellent hospitality as always and we look forward to next season's edition.

This year's presentation evening was a great success, with Hugo di Veroli receiving the Vince Smith Junior Encouragement Award (and well deserved it is too), James Leane winning both the John Quinn Memorial Award for services to the Association and the Erle Carroll Memorial Trophy. The highlight of the evening was the presentation of the Smyth-Montgomery Medal to Stan Watson in recognition of his wonderful ongoing efforts in promoting the Association and coaching and encouraging all of our active referees to better themselves on and off the field. Truly well-deserved Stan!

We hope that our ladies enjoyed their thank you gifts for the season past and a big thank you to Elizabeth Quailey for her continued support as Association Patron and to our tireless Chairman Michael Quailey, particularly in light of the difficult year experienced by the Quailey family.

To Scot and Adrienne Murray and family, all the best settling into life on the south coast of NSW and we hope to see you often during the 2020 season.

A big thank you to my beautiful wife Elissa, for your patience, love, assistance and support over the season!

The Board of the North Sydney District Rugby League Referees Association wishes everyone a restful and enjoyable off season and a Merry Christmas and Happy New Season 2020 in advance! Enjoy your respective breaks over summer and I will see you all in the new season.

## 8) Director of Finance Report

Mr Chairman and Members

I was happy to return to the role of Director of Finance and I'm pleased to report that the Association has finished the 2019 season with a strong balance sheet. We have been able to maintain sponsorship partnerships. This sponsorship allowed the Association to subsidise new spray jackets and backpacks for the members. It was disappointing that Norths didn't have an A Grade which in turn a loss in income the members and the Association. This didn't affect the Saturday competition which saw a significant increase in matches that contributed 26% increase in match payments, some of our junior members were rewarded handsomely.

Our income was flat year on year, up just 2%. There was strong growth in match payments and Membership fees. As well as Donations. However, this growth was offset by loss from not hosting our regular charity function. As I mentioned above, we maintained our sponsorship relationship, with some of our partners choosing to increase their contribution. As usual our income was support by the Administration and Development Grants.

As we report our match payments as income and the expense them an increase in match payments as income naturally result in an increase in expenses. Match payments aside. We have been able to reduce our expense this year. We updated our web hosting arrange. Opting for a lower cost plan that better suited how we were utilising the platform.

We've had a very social year this past year and I would like to thank the Board, particularly Scot organising these. These included a meet and greet and regular end of season drinks. It's important that Association hold these events as it allow the members to socialise and recount our exploits on the field.

Our Patron Liz Quailey had again made her donation in support of the junior members. This year due to her generosity new junior members were able to travel to Tamworth to referee in the All ages carnival. Her donation also covered to cost of their gear. I would like to thank Liz for her support of the new junior members.

After my fifth year in this role I can finally say that I'm comfortable with the accounting aspect of the role. Though it still has to be said that Mr Quailey is always there to provide advice and guidance. For this I'm very thankful. Next, I'd like to thank my girlfriend, Sarah. Her support this year has been most welcome. Lastly, I'd would like to thank the board and the members for delightful season, and I look forward to seeing everybody next season.

## 11) Director of Referees' Development Report

Season 2019 was another successful one for North Sydney Referees Association.

Firstly, congratulations to all of those who were appointed to Grand Final fixtures. These appointments are testament to the hard work and dedication you have all shown during the year, hopefully you all made the most of what was a very enjoyable day.

Special mention to Hugo Di Veroli on winning the Vince Smith Junior Encouragement Award. I know I speak for everyone when I say that this was thoroughly deserved, and the development and positive attitude you have shown this season is to be admired, well done.

Also a huge congratulations to James Leane on winning the Erle Carroll Memorial Trophy. Just reward for a great season in the district and in reps. Well done.

Finally, a massive congratulations to Stan Watson on receiving the Smyth/Montgomery Medal. A worthy recipient for such an award, you've impacted many young referees and mentored them through the ranks and towards higher honours.

Some acknowledgements: The North Sydney Junior League for their continued hard work and support throughout the season. The parents, wives and girlfriends for allowing us all to spend our weekends officiating the game we love. The sponsors, your support is highly appreciated. Finally, on a personal note, my fellow board members for providing the greatest of assistance this season for me.

Enjoy the break, enjoy the Cricket/NFL, and look forward to seeing you all again in season 2020.

## 12) Director of Member Services' Report

Mr Chairman and members,

Greetings from the sunny South Coast. Firstly I would like to thank every member for their efforts throughout the year. Sometimes we were short, but we managed to get through it with a higher work rate. This year saw all our season 2018 sponsors return - I would personally like to thank James McDonald and his team from Elite Golf NSW, Chris Hopkins and his team from Raine and Horne Hornsby, Merran Wiggins from Travelmanagers, Robert Knox and his team from Fort Knox Home Loans and Josh Paine and his team from All Aspects Group for their ongoing contributions to our Association. Please, utilise them if you can - it is the best way we will get them to return.

Most will notice that towards the end of the season I was not around the place as much as I have relocated to the South Coast. Due to this fact, this will be my last season sitting on the Board of our Association. I would like to thank the current board and members for their support and assistance over my years in this role. I have always enjoyed the position and I hope the incoming Director will be able to follow on in the same direction. In saying that I will not be a stranger and will try and get to some meetings or functions throughout the year. I have recently joined Group 7 Referees Association and I'm already looking like running the Elite HUB on the South Coast, so I am definitely not lost to the game. Thank you to our Executive Officer - Michael Dumas who assisted with organising the Presentation Night while I was commuting between Sydney and the South Coast.

I would like to congratulate all the respective referees and touch judges on their Grand Final appointments - all very well deserved. I would also like to again congratulate Stanley Eugene Watson on being the Association's second recipient of the Smythe Montgomery medal - a great achievement for a long time stalwart of our great Association.

Lastly, I would like to wish you all the best for Christmas, the new year and I hope you all achieve the goals you set pre-season in 2020. I am only a telephone call away if anyone wants assistance with an aspect of the game, whether it be on the field or off it.

Signing off for the last time (for the moment anyway).

## 17) Vale

Unfortunately, 2019 did not pass without our families and friends losing loved ones. Our deepest sympathies are extended to all that have suffered bereavement during the last year.

## A Helping Hand

In May, on a day when we were extremely limited in the availability of our own members, we were fortunate to gain the services of graded member Lyndsay Packer. Lyndsay is originally from Penrith so his appointments at Tunks Park were about as far away from home as he could go.

He could also be seen at various times throughout the year, visiting our grounds and keeping an eye on young Bailey Clark.

Towards the end of the season, Lyndsay announced his retirement from Grade. Thanks for your help Lyndsay and all the best for your retirement.

## 22) Around the Grounds – News from 2019

### National Primary School Games - Tamworth

On the weekend of July 20/21 this year, Steve Tulinsky, Michael Quailey, George and Callum Maher, Hugo di Veroli, Nicholas Nowland (who also played) and Hana Clare (from Manly) travelled up to Tamworth as guests of the Group 4 referees association to help officiate in the rugby league component of The National Primary Games.

The National Primary Games are held annually in regional NSW for school children aged U8 through to U14 and this year involved the sports of Rugby League, Soccer, Netball, Gymnastics and Tennis.

Any club or school in NSW can participate and this year teams from our own junior league competed with other teams from the region.

Most of us travelled up by train and we arrived on the Friday evening and enjoyed an excellent dinner after our long train trip. On Saturday we officiated in various fixtures while Mr Quailey assisted with CMO duties and photography while also keeping us all in check! We thoroughly enjoyed officiating in all these games.

The weekend afforded the Association an opportunity to strengthen our ties with the Group 4 Referees Association and we thank them for their excellent hospitality over the weekend.

Thanks to our Chairman, Michael Quailey for organising the weekend (and accommodation) and we look forward to participating again next year and further strengthening our ties with the Group 4 referees. Our association was also represented at the Group 4 referees presentation night by James Leane.
